

## **SUBLEASE AGREEMENT**

**THIS SUBLEASE AGREEMENT** (hereinafter referred to as "Sublease") made this 17<sup>th</sup> day of July 2006, by and between KOCH BUSINESS HOLDINGS, LLC (hereinafter referred to as "Sublessor"), a Delaware limited liability company, having its principal place of business at 1760 Airport Road, Wichita, Kansas 67209-1996, and EagleJet Aviation, Inc. (hereinafter referred to as "Sublessee"), a Kansas corporation, having its principal place business at 1600 Airport Road, Wichita, Kansas 67209.

### **W I T N E S S E T H:**

**WHEREAS**, pursuant to an Agreement originally by and between the Wichita Airport Authority ("Prime Lessor") and Air Capital Modification Center, Inc. ("Original Tenant"), dated October 20, 1986, as amended from time to time (the "Prime Lease"), Sublessor, as the successor-in-interest to Original Tenant, leases from Prime Lessor the following-described premises located on Wichita Mid-Continent Airport (the "Premises"):

All space in the north one-half of the building known as Hangar No. 16-A, located at 1700 Airport Road, on Wichita Mid-Continent Airport, consisting of a hangar area comprising approximately 10,663 square feet, and a central office and utility area, comprising approximately 3,803 square feet, plus adjacent exterior land area as shown on **Exhibit A**, attached hereto and made a part hereof. The total land area of the Premises consists of approximately 60,950 square feet.

**WHEREAS**, Sublessor has agreed to enter into this Sublease Agreement with Sublessee for the purpose of subletting only the 10,663-square-foot hangar area contained within the Premises (the "Subleased Premises"), and not including any office or utility area, to Sublessee upon the terms and conditions hereinafter set forth;

**NOW, THEREFORE**, intending to be legally bound hereby, and in consideration of the mutual covenants contained herein, Sublessor and Sublessee hereby agree as follows:

1.     **Subleased Premises** – Subject to receipt of Prime Lessor’s consent to this Sublease, Sublessor hereby subleases to Sublessee, and Sublessee hereby sublets from Sublessor, the Subleased Premises, on an “as is” basis in the condition which shall exist on the Sublease Commencement Date (which shall be no worse than on the date hereof, except reasonable wear and tear), plus the non-exclusive right of ingress to and egress from the Subleased Premises over and across all exterior portions of the Premises. Sublessee agrees that Sublessor shall have no obligation to perform any work or make any installations in order to prepare the Subleased Premises for Sublessee’s occupancy. If Sublessee desires to document the condition of the Subleased Premises as of the Sublease Commencement Date, Sublessee shall deliver to Sublessor a written description of such condition (the “Condition Report”) within three (3) days after the Sublease Commencement Date. Sublessor shall have ten (10) business days after receipt of the Condition Report to review the same, inspect the Subleased Premises, and deliver to Sublessee written notice of whether Sublessor approves the Condition Report as written, or whether specific revisions to the Condition Report are necessary. The Condition Report as revised and approved by Sublessor shall be deemed to be conclusive evidence of the condition of the Subleased Premises as of the Sublease Commencement Date.

2.     **Term** - The term of this Sublease (“Term”) as between Sublessor and Sublessee (and not the term of the Prime Lease) shall be from year-to-year, beginning on August 2, 2006 (the “Sublease Commencement Date”). The period beginning on the Sublease Commencement Date and ending on July 31, 2007, shall be referred to herein as “Year One.” Year One and each successive twelve-month period beginning on the first day of August and ending the thirty-first day of the

following July shall be considered a lease year (a "Lease Year"). The Term of this Sublease shall automatically renew for successive periods of one year each unless either Sublessee or Sublessor delivers to the other party written notice of termination at least sixty (60) days prior to the expiration of the then-current Lease Year. The last day of the Lease Year in which such notice of termination is delivered is referred to herein as the "Termination Date." Upon the Termination Date, Sublessee shall quit and surrender to Sublessor the Subleased Premises, broom clean, in good order and condition, ordinary wear and tear excepted, and Sublessee shall remove all of its property.

3. **Use of Premises –**

(a) Subject to any more restrictive provision of the Prime Lease, the Subleased Premises shall be used solely and exclusively for the storage of aircraft, and for no other uses.

(b) Notwithstanding the foregoing, Sublessee shall not provide any services at the Subleased Premises that compete with services provided by any fixed-base operator engaged in business at the Wichita Mid-Continent Airport without the express written consent of the Prime Lessor.

4. **Security Deposit –** Sublessee hereby deposits \$5,000.00 as a security deposit (the "Security Deposit") with Sublessor to stand as security for the faithful performance and observance by Sublessee of all of the agreements, covenants, conditions and provisions of this Sublease to be performed or observed by Sublessee (the "Debts, Liabilities and Obligations"). Sublessor shall not be required to pay Sublessee any interest on the Security Deposit, or to keep the Security Deposit separate from its general funds. In the event Sublessee fails to pay, perform, satisfy, or observe any of the Debts, Liabilities, and Obligations, Sublessor shall have the right to apply the Security Deposit, or so much thereof as may be necessary, to remedy any such failure by Sublessee. Sublessee shall immediately upon request pay to Sublessor any sum necessary to restore the Security

Deposit to its full amount, and Sublessee's failure to do so shall be deemed a material breach of this Sublease. Any remaining portion of the Security Deposit shall be returned to Sublessee within 60 days after the date of termination of this Sublease, provided that all Debts, Liabilities and Obligations of Sublessee to Sublessor are paid and performed in full.

5. **Rent** - Sublessee agrees to pay to Sublessor, without notice, demand, abatement, deduction, or offset whatsoever, annual rent in the amount of FIFTY-FIVE THOUSAND AND NO/100 DOLLARS (\$55,000.00), payable in equal monthly installments of FOUR THOUSAND FIVE HUNDRED EIGHTY-THREE AND 33/100 DOLLARS (\$4,583.33) per month for Year One (the "Base Rent"). Except as otherwise provided in this Section 4, for each Lease Year thereafter during the Term, the Base Rent shall be increased by five percent (5%) (the "Annual Escalation") over and above the prior annual Base Rent to be paid by Sublessee to Sublessor. The amount and payment of Rent is specific to this Sublease as between Sublessor and Sublessee. The Rent shall be payable in equal monthly installments on the first day of each month during the Term of this Sublease. Sublessee shall pay the first full monthly installment of Base Rent for Year One upon execution of this Sublease. Rent payments shall be made to Sublessor at its offices at the address set forth in the opening paragraph of this Sublease, or at such other place as Sublessor shall at any time designate in writing. In addition, Sublessee shall reimburse Sublessor within ten (10) days after demand for any sum paid by Sublessor to Prime Lessor as a result of Sublessee's occupation and use of the Subleased Premises ("Additional Rent").

If Sublessee shall fail to make payment of any installment of Base Rent and Additional Rent payable hereunder within five calendar days after such payment is due, Sublessee shall pay to Sublessor, in addition to such installment of Base Rent and Additional Rent, as the case may be, as a late charge, an amount based on a rate equal to the lower of eighteen percent (18%) per annum or the

maximum interest rate that may be charged pursuant to applicable law of the amount unpaid computed from the date such payment was due to and including the date of payment.

6. **Utilities** – Sublessor shall be responsible for payment for all utilities supplied to the Subleased Premises, and Sublessee shall reimburse Sublessor on a monthly basis for all such amounts paid by Sublessor. Such payments to be made by Sublessee to Sublessor shall be included in Additional Rent. Promptly upon Sublessee's request, Sublessor shall provide documentation in reasonable detail supporting such utility payments.

7. **Incorporation; Prime Lease –**

(a) A complete copy of the Prime Lease, including all amendments thereto, is attached as **Exhibit B**. Except as may be inconsistent with the terms hereof, all of the terms, covenants and conditions of the Prime Lease (except Sections 2, 3(a), 4, 9(f), and 12) are hereby made a part hereof with the same force and effect as if fully set forth at length herein. The term "Lessor" in the Prime Lease shall mean Sublessor herein, and the term "Lessee" in the Prime Lease shall mean Sublessee herein. The terms "Lease", "Agreement", "Hangar 16A Lease Agreement" or similar term in the Prime Lease shall mean this Sublease. The terms "leased premises", "demised premises", "premises", "facility" or similar term shall mean the Subleased Premises herein. Any exceptions for negligence and/or misconduct (of whatever kind(s)) of "Lessor" shall include for the purposes of this Sublease both Prime Lessor and/or Sublessor and also matters related to the periods before and after the Term. In addition, the subletting provided for in this Sublease is subject to all of the covenants, agreements, terms, provisions and conditions contained in the Prime Lease. Notwithstanding the foregoing, Sublessor shall have no obligation to perform any obligation of the landlord set forth in the Prime Lease.

(b) If Sublessor or Sublessee receives any notices or demands from the Prime Lessor under the Prime Lease, said party shall promptly give a copy thereof to the other.

(c) From and after the Sublease Commencement Date, Sublessee hereby agrees to comply with all of the terms, covenants and conditions of the Prime Lease on the part of the tenant therein named to be performed thereunder, other than the payment of rent and additional rent under the Prime Lease and any sections expressly excluded under paragraph (a) above. Sublessor shall continue to pay the rent and additional rent so long as Sublessee is paying its Rent to Sublessor under this Sublease, and Sublessor may not agree to any amendments or other modifications to the Prime Lease adversely affecting Sublessee without the prior written consent of Sublessee.

(d) Performance by the Prime Lessor shall be deemed and accepted by Sublessee as performance by Sublessor herein and Sublessor shall not be responsible for any breach of the Prime Lease by Prime Lessor nor any nonperformance or noncompliance with any provision thereof by Prime Lessor, including the failure of Prime Lessor to provide any services, utilities and/or repairs. Sublessor agrees to take reasonable steps to assist Sublessee as Sublessee may from time to time request, at Sublessee's sole cost and expense and without liability to Sublessor, in seeking Prime Lessor's performance or compliance, provided Sublessee indemnifies and reimburses Sublessor as to any cost or expense to be incurred or as incurred with respect thereto. In no event, however, shall Sublessor be required to commence or cooperate with any litigation against Prime Lessor or any agent, employee, or affiliate thereof. Sublessor makes no representation that Prime Lessor will provide any or all of the services, utilities and/or repairs referred to and incorporated by reference into this Sublease.

(e) Neither Sublessor nor Sublessee shall do or permit anything to be done which would violate the terms and provisions of the Prime Lease nor cause the Prime Lease to be

terminated or forfeited by reason of any right of termination or forfeiture reserved or vested in the Prime Lessor under the Prime Lease.

(f) Sublessee shall abide by the insurance requirements contained in Sections 7 and 8 of the Prime Lease as regards the Subleased Premises and such insurance shall name Sublessor, Prime Lessor and the City of Wichita as additional insureds. Appropriate certificates of insurance evidencing such coverages shall be delivered to Sublessor and to Prime Lessor upon execution of this Sublease.

8. **Compliance With Laws and Airport Regulations –**

(a) Sublessee shall comply with all, laws, ordinances, orders, judgments, decrees, regulations, directions, and requirements of all federal, state, local and other governments or governmental authorities having jurisdiction over the Subleased Premises, including the Prime Lessor.

(b) Sublessee shall comply with all applicable regulations relating to Airport security and shall control the Premises so as to prevent or deter unauthorized persons from obtaining access to the air operations area of the Airport.

(c) The Prime Lessor and Sublessor shall be held harmless for any and all breaches of the Transportation Security Administration's policies and regulations and the Wichita Airport Authority's security rules or regulations caused by the Sublessee, its agents or employees, or that occur on the Sublessee's premises except to the extent caused by Sublessor. In the event the Transportation Security Administration imposes a fine or penalty for any such security violation, whether such fine or penalty is assessed to Prime Lessor, Sublessor, Sublessee, or their agents or employees, the penalty shall be paid by Sublessee, provided, however, that nothing herein shall

prevent Sublessee from contesting the legality, validity or application of such fine or penalty to the full extent Sublessee may be lawfully entitled so to do.

9. **Termination of Prime Lease** - Notwithstanding anything to the contrary contained herein, if the Prime Lease is terminated for any reason whatsoever, whether by operation of law or otherwise (including, due to any agreement between Sublessor and Prime Lessor; provided that Sublessor shall not agree to any such termination without Sublessee's written consent if Sublessee is not then in Default under this Sublease), except through the default of Sublessor, as tenant thereunder (excluding a default under the Prime Lease caused by Sublessee), Sublessor shall not be liable to Sublessee or responsible for such termination or the termination of this Sublease as a result thereof.

10. **No Services** - Notwithstanding anything contained in this Sublease to the contrary, Sublessor shall have no obligation to (i) perform any services under this Sublease (including, without limitation, the providing of electricity), (ii) make any repairs or restorations, (iii) comply with any laws or requirements of any governmental authorities, (iv) provide any insurance with respect to the Premises or the improvements therein, (v) remove, encapsulate or otherwise treat any asbestos-containing materials or other hazardous materials located in or on the Premises, or (vi) take any other action that Prime Lessor is obligated to provide, make, comply with or take, or cause to be done, under the Prime Lease (collectively, "Services") and the only Services or rights to which Sublessee is entitled hereunder are those to which Sublessor is entitled as the tenant under the Prime Lease, and for all such services and rights, Sublessee will look solely to the Prime Lessor. Sublessor assumes no liability for any covenants, representations or warranties made by Prime Lessor under the Prime Lease. Sublessor agrees to take all reasonable steps to assist Sublessee as Sublessee may from time to time request, at Sublessee's sole expense and without liability to Sublessor, in seeking such

Services and rights from the Prime Lessor, provided Sublessee indemnifies and reimburses Sublessor as to any cost or expense to be incurred or as incurred with respect thereto. In no event, however, shall Sublessor be required to commence or cooperate with any litigation against Prime Lessor or any agent, employee or affiliate thereof. Nothing contained herein shall be deemed a waiver of Sublessor's rights to receive Services from Prime Lessor. Sublessor shall in no event be liable to Sublessee for any failure to render any of the Services, nor shall any such failure entitle Sublessee to any abatement or reduction in Base Rent or Additional Rent payable hereunder or to any right to terminate this Sublease. Notwithstanding the foregoing, to the extent Sublessor is entitled to any abatement under the Prime Lease for interruption of services affecting the Subleased Premises under the Prime Lease, Sublessee shall be entitled to an abatement of rent under this Sublease for the same number of days and with respect to the same proportion of the Subleased Premises affected, but only if and to the extent the same is actually received by Sublessor or would have been received by Sublessor but for a default under the Prime Lease.

11. **Subordination** - Notwithstanding the terms of the Prime Lease, Sublessee accepts this Sublease subject and subordinate to the present state of title of the Subleased Premises and to any recorded mortgage, deed of trust or any other lien presently existing upon the Subleased Premises and to any renewal, extension or modification thereof. Sublessee agrees upon demand to execute such instruments subordinating this Sublease to any future mortgage, deed of trust or other security instrument as may be required. In the event of termination, re-entry or dispossession by Prime Lessor under the Prime Lease, Prime Lessor may, at its option, take over all of the right, title and interest of Sublessor, under this Sublease, and Sublessee shall, at Prime Lessor's option, attorn to Prime Lessor pursuant to the then executory provisions of this Sublease, except that Prime Lessor shall not (a) be liable for any previous act or omission of Sublessor under this Sublease, (b) be

subject to any counterclaim, offset or defense, not expressly provided in this Sublease, which theretofore accrued to Sublessee against Sublessor, or (c) be bound by any previous modification of this Sublease (except any modification to which Prime Lessor has consented in writing) or by any previous prepayment of more than one (1) month's Rent.

12. **Maintenance By Sublessee** - Sublessee shall, at its own risk and expense, maintain the Subleased Premises in at least as good condition and repair as exists on the Sublease Commencement Date, reasonable wear and tear excepted. At the termination of this Sublease, Sublessee shall deliver up the Subleased Premises broom clean and in the same good order and condition as existed at the Sublease Commencement Date, ordinary wear and tear and damage by fire or other casualty excepted.

13. **Assignment And Subleasing** - In addition to the provisions of the Prime Lease that are incorporated in this Sublease, Sublessee shall not, except with the prior written consent of Sublessor, directly or indirectly, voluntarily, by operation of law, or otherwise: (a) sell, assign, encumber, pledge or otherwise transfer or hypothecate all or any part of this Sublease, the Subleased Premises, or Sublessee's subleasehold interests hereunder; nor (b) allow or permit any sale or transfer (including by consolidation, merger or reorganization) of a majority of the voting stock or management control of Sublessee; nor (c) allow or permit a change of present controlling executive management by management contract, license, franchise agreement or other arrangement; nor (d) permit subtenants, concessionaires, licensees or others to occupy all or any portion of the Subleased Premises; nor (e) sublease the Subleased Premises or any portion thereof (each of (a) through (e) being referred to as a "Transfer"). Sublessor's consent to any Transfer shall not be unreasonably withheld, conditioned or delayed. Notwithstanding any Transfer by Sublessee, Sublessee shall

remain fully liable for all performance required of Sublessee hereunder unless Sublessee is specifically released by Sublessor in writing.

14. **Negative Covenants** - In order to induce Sublessor to execute this Sublease, Sublessee covenants and warrants to Sublessor that during the Term of this Sublease, notwithstanding the terms of the Prime Lease, Sublessee shall not permit the following to occur and shall not engage in any of the following, which shall be considered a "Default" hereunder:

(a) Fail to pay the Base Rent, Additional Rent and all other sums owing to Sublessor pursuant to this Sublease on the days and times and at the places at which the same are payable or make any abatement, deduction or setoff against the same;

(b) Fail to make full and timely performance of all other duties and obligations arising under this Sublease within thirty (30) days after written notice and demand is given by Sublessor, provided that if such duties and obligations are not capable of being fully performed within such 30-day period, Sublessee shall not be in Default if Sublessee commences such performance within a reasonable time after receipt of notice from Sublessor and diligently pursues such performance to completion;

(c) Engage in any Transfer without the prior written consent of Sublessor (and Prime Lessor to the extent such consent is required under the Prime Lease);

(d) Make any alterations, additions or improvements to the Subleased Premises except with the consent of Sublessor and Prime Lessor, provided, however, that if Prime Lessor is otherwise willing to consent to such alterations, additions or improvements, Sublessor shall not unreasonably withhold its consent if it has received reasonable assurances under the circumstances that Sublessee will comply with the requirements of the Prime Lease and, if the "Tenant" would be

responsible under the Prime Lease for removing such alterations, additions or improvements, Sublessee shall remove the same;

(e) Do or suffer to be done any act, matter or thing in violation of the provisions of any insurance policies provided for in this Sublease or whereby the said insurance or any other insurance now in force or hereinafter to be placed on the Subleased Premises shall become void or suspended, or whereby the same shall be rated as a more hazardous risk than at the execution thereof or at the time Sublessee takes possession of the Subleased Premises;

(f) Allow anything to be done that may impair the value of the building or Subleased Premises;

(g) Liquidate or dissolve itself; or

(h) Fail to pay or restore the Security Deposit as required hereunder.

**15. Remedies Upon Sublessee's Default –**

(a) Sublessor shall have the same rights and remedies with respect to a breach of this Sublease by Sublessee as the Prime Lessor has with respect to a breach of the Prime Lease, as if the same were more fully set forth at length herein.

(b) If Prime Lessor, in writing, shall claim or otherwise allege that a use of, action or inaction involving, or other circumstances concerning, the Subleased Premises is in violation of any provision of or may become a default under the Prime Lease, in addition to Sublessor's other rights hereunder and at law, Sublessee, promptly after notice from Sublessor, shall forthwith cease such use or action; forthwith take such action or forthwith cause such circumstance to be changed so that the basis or alleged basis for such claim or allegation shall no longer exist, provided that Sublessee may challenge such claim by Prime Landlord provided that such challenge by Sublessee may not, in Sublessor's reasonable discretion: (i) adversely affect the Prime Lease; (ii) adversely

affect the Sublessor's and Prime Landlord's relationship under the Prime Lease; or (iii) cause a default under the Prime Lease, in which event, upon notice from Sublessor, Sublessee shall comply with Prime Landlord's request.

(c) Notwithstanding any other provision of this Sublease or of the Prime Lease, upon the occurrence of any Default by Sublessee under this Sublease, Sublessor shall have the right, at Sublessor's election, to pursue, in addition to and cumulative of any other rights Sublessor may have herein, at law or in equity, any one or more of the following remedies without, unless required by law, any notice or demand whatsoever:

(i) Terminate this Sublease, in which event Sublessee shall immediately surrender the Subleased Premises to Sublessor, and if Sublessee fails to do so, Sublessor may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Subleased Premises and expel or remove Sublessee and any other person who may be occupying said Subleased Premises or any part thereof, without being liable for prosecution or any claim or damages therefor unless such damage is caused by the gross negligence or willful misconduct of Sublessor, its agents or employees, and Sublessee agrees to pay to Sublessor, its agents or employees, on demand, the amount of all loss and damage, which Sublessor suffers by reason of such termination, whether through inability to relet the Subleased Premises on satisfactory terms or otherwise.

(ii) Enter upon and take possession of the Subleased Premises and expel or remove Sublessee and any other person who may be occupying the Subleased Premises or any part thereof, without being liable for prosecution or any claim for damages therefor unless such damage is caused by the gross negligence or willful misconduct of Sublessor, its agents or employees, and relet the Subleased Premises on satisfactory terms or otherwise.

(iii) Enter upon the Subleased Premises without being liable for prosecution or any claim for damages therefor unless such damage is caused by the gross negligence or willful misconduct of Sublessor, its agents or employees, and do whatever Sublessee is obligated to do under the terms of this Sublease, and Sublessee agrees to reimburse Sublessor on demand for any reasonable expenses which Sublessor may incur in thus effecting compliance with Sublessee's obligations under this Sublease and Sublessee further agrees that Sublessor shall not be liable for any damages resulting to the Sublessee from such action, unless caused by the gross negligence or willful misconduct of Sublessor.

Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any Base Rent or Additional Rent due to Sublessor hereunder or of any damages accruing to Sublessor by reason of the violation of any of the terms, provisions, and covenants herein contained. Failure by Sublessor to enforce one or more of the remedies herein provided, upon any Default shall not be deemed or construed to constitute a waiver of such Default or of any other violations or breach of any of the terms, provisions, and covenants herein contained. In determining the amount of loss or damage which Sublessor may suffer by reason of termination of this Sublease or the deficiency arising by reason of the reletting by Sublessor, as above provided, allowance shall be made for the normal and customary expense of repossession, and for any reasonable market leasing commissions and marketing expenses incurred by Sublessor.

16. **Access** - Sublessee shall be provided access to the Subleased Premises twenty-four (24) hours per day, seven (7) days per week in accordance with the terms and conditions of the Prime Lease.

17. **Notices** – All notices, statements, demands, requests, consents, approvals, authorizations, offers, agreements, appointments, or designations under this Sublease by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if delivered by hand or facsimile machine (in which event notice shall be deemed delivered on the date that such notice is delivered with a signed or electronically generated receipt or attempted to be delivered as evidenced by record of attempted delivery on a business day during business hours) or by overnight express courier (in which event notice shall be deemed delivered on the date that such notice is delivered with a signed receipt or attempted to be delivered as evidenced by the overnight express courier's record of attempted delivery on a business day during business hours) addressed as follows:

18. **Waiver** – The waiver by Sublessor of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition for any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of Rent hereunder by Sublessor shall not be deemed to be a waiver of any preceding breach by Sublessee of any term, covenant, or condition of this Sublease other than the failure of Sublessee to pay the particular rental so accepted, regardless of Sublessor's knowledge of such preceding breach at the time of acceptance of such Rent.

19. **Consents** – This Sublease is subject to, and shall become effective upon, the written consent of the Prime Lessor in accordance with all applicable terms of the Prime Lease. Sublessee agrees to furnish to Sublessor such information as may be reasonably necessary and required by the Prime Lease in order to obtain such consent, and to enter into such agreements in form and substance reasonably acceptable to Sublessee among the Prime Lessor, Sublessor and Sublessee as the Prime Lessor may reasonably require pursuant to the Prime Lease in connection with giving its consent to this Sublease including, without limitation an agreement to attorn to the Prime Lessor as Landlord in the event of a termination of the Prime Lease. Any delay in the Prime Lessor's furnishing such consent, shall be deemed to be a delay in the Sublease Commencement Date but shall not postpone or extend the Termination Date of this Sublease.

20. **Delivery of Possession** – Notwithstanding anything herein contained to the contrary, if Sublessor is unable to deliver to Sublessee possession of the Subleased Premises, or any part

thereof, in the condition and on the date set forth in Section 1 hereof as the Sublease Commencement Date because of a fire or casualty therein or from any other reason of any character whatsoever beyond Sublessor's reasonable control, (i) Sublessor shall not be subject to any liability for failure to deliver possession on said Sublease Commencement Date, (ii) the validity of this Sublease shall not be impaired under such circumstances, (iii) the same shall not be construed in any way to extend the term of this Sublease and (iv) the term of this Sublease shall commence on and the Sublease Commencement Date shall be, the date on which Sublessor delivers possession of the Subleased Premises to Sublessee. Notwithstanding the foregoing, if Sublessee so elects, within fifteen (15) days after receipt of notice of Sublessor's inability to deliver possession of the Subleased Premises on the expected Sublease Commencement Date (as set forth in Paragraph 1 of this Sublease), this Sublease shall terminate and be of no further force or effect.

21. **Damage by Fire or Other Cause; Condemnation** – Notwithstanding any contrary provision of the Prime Lease incorporated herein by reference, Sublessee shall have no right to (a) terminate this Sublease as to all or any part of the Subleased Premises by reason of a casualty or condemnation except as otherwise provided in the Prime Lease or (b) an abatement of Rent or Additional Rent by reason of a casualty or condemnation, unless Sublessor is entitled to a corresponding abatement with respect to its corresponding obligation under the Prime Lease.

22. **Miscellaneous Provisions** –

(a) Whenever the singular number is used in this Sublease and when required by the context, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders, and the word "person" shall include corporation, firm, or association.

(b) The headings or titles of the paragraphs of this Sublease are not a part of this Sublease and shall have no effect upon the construction or interpretation of any part of this Sublease.

(c) This Sublease contains all of the agreements and conditions made between the parties and may not be modified orally or in any other manner other than by an agreement in writing signed by all the parties to this Sublease or their respective successors in interest.

(d) Any conflict between the terms of this Sublease and the terms of the Prime Lease shall be governed by the Prime Lease, provided, however, that Sublessee is not agreeing, nor shall it be deemed to have agreed, to assume any obligations under the Prime Lease arising out of or relating to any period before the Sublease Commencement Date or after the end of the term of this Sublease and Sublessee's vacation of the Subleased Premises.

(e) Terms not defined herein shall have the meanings specified in the Prime Lease.

(f) Time is of the essence of each term and provision of this Sublease.

(g) The terms and provisions of this Sublease shall be binding upon and inure to the benefit of the successors and assigns (if permitted by this Sublease and the Prime Lease) of Sublessor and Sublessee.

(h) If Sublessee should remain and holdover beyond the Sublease Term, then it shall be deemed to be a Sublessee-at-will and, in addition to abiding by all the covenants set forth in this Sublease, Sublessee shall be obligated to pay to Sublessor one hundred fifty percent (150%) of the Base Rent and Additional Rent which was payable under this Sublease during the last month of the Term, as well as any other sums due under this Sublease and the Prime Lease as a result of the holdover (excluding only the one hundred fifty percent (150%) holdover payment made by Sublessor to Prime Landlord). If Sublessee shall holdover or remain in possession of any portion of the Subleased Premises beyond the Termination Date of this Sublease, notwithstanding the acceptance of any Base Rent and Additional Rent paid by Sublessee pursuant to the above, Sublessee shall be

subject not only to summary proceedings and all damages related thereto, but also to any damages arising out of lost opportunities (and/or new leases) by Sublessor or Prime Lessor to relet the Subleased Premises (or any part thereof). All damages to Sublessor by reason of such holding over by Sublessee may be the subject of a separate action and need not be asserted by Sublessor in any summary proceedings against Sublessee.

(i) Each of Sublessee and Sublessor represents and warrants, each to the other, that it has not dealt with any real estate broker in connection with this Sublease, and that insofar as each of Sublessee and Sublessor knows, no broker negotiated this Sublease or is entitled to any commission in connection therewith, and the execution and delivery of this Sublease by each of Sublessee and Sublessor shall be conclusive evidence that Sublessee and Sublessor have relied upon the foregoing representation and warranty.

(j) Sublessor warrants and represents that the Prime Lease attached hereto and incorporated herein as Exhibit B is true, correct and complete, is in full force and effect, and that Sublessor has not assigned, restricted or granted anyone any rights in the Subleased Premises or any sublease consent rights relating to the Prime Lease, and that, to its knowledge, each of Prime Lessor and Sublessor is in compliance with the Prime Lease and has not received any notices from the other stating that Prime Lessor or Sublessor, as applicable, is in default of the Prime Lease.
